

# Mighty Joe

Hi, My name is Mighty Joe.

I am a Clydie/QH gelding.

I am 7 years old.

I am a big horse, 16.2hh, and a great weight carrier.

I have been schooled at Heatherly Equestrian Centre after a long time in a paddock.

I am a sensitive forward thinking horse, and would ideally suit someone that wants a big horse that runs on the smell of a oily rag.

I am in super condition, bare foot, soft mouth.

I am currently living in Cootharaba, and get along great with other horses (currently lives with 4 mare and gelding ponies).

I would probably be best suited to living and working on a property or trail riding.

I am not suited for my current beginner rider.

Sadly, I must be sold, and my owner will consider all offers around \$5000.

I can be viewed at home or at your place at any time. I am great to catch/float, and am very sociable.
